

Rule 1.53(b) Continuation
of Serial No. 09/809,244

REMARKS

Claims are presented for examination here similar to the claims allowed in the parent case except that the instant claims do not specify a water content in the organic luminescence medium after sealing with the sealing member.

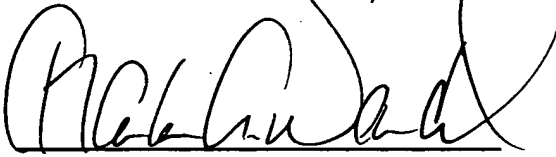

An Information Disclosure Statement listing the references cited during the course of prosecution of the parent case is filed herewith.

Attached are annotated Figs. 20 to 23 showing changes made in the parent application along with replacement Figs. 20 to 23.

An early examination of claims 1 to 10 and 19 to 25 is earnestly solicited.

Respectfully submitted,
